

Es-tu en Immersion Française ? Cherches-tu des crédits en langue française?

Pourquoi ne pas étudier la Géographie du Canada en français?

CCG IDF: Issues in Canadian Geography

If you are interested in finding out more about the country we live in, this course is for you!

Come learn about how our country was shaped by physical processes and time. Learn about our natural resources, about our diverse population, and about how the two will need to work together to create a sustainable future for the generations to come.

Grade nine Geography is a compulsory credit, so why not obtain it EN FRANÇAIS and bring yourself one step closer to your French Immersion Certificate!

THIS COURSE CONSISTS OF: readings, assignments, individual and group tasks and projects, quizzes, discussion and three summative tasks. There is no final exam in this course.
